THE DOOLEY FAMILY

We proudly support

THE NORTH SHORE LAND ALLIANCE

as they work to improve and sustain the health of our land, water and air.

Thank you to Rynwood Holdings and Banfi Vintners for allowing us to host our 19th Annual Wine Auction & Dinner at Rynwood Estate.

Rynwood was built in 1927 for Sir Samuel Agar Salvage, the “Father of the Rayon Industry.” The estate buildings were designed by Roger H. Bullard, one of the Roaring Twenties’ finest country home architects, while the grounds were laid out by Ellen Biddle Shipman, known as “The Dean of Women Landscape Architects.”

Subsequent to Sir Samuel, Rynwood was owned

by Margaret Emerson Vanderbilt, Alfred Gwynne Vanderbilt’s widow and a noted amateur croquet champion who purchased the property only after confirming it’s suitability for a regulation croquet pitch.

In 1980, the estate was purchased and meticulously restored by the Mariani family to serve as global headquarters for their Banfi Vintners.

The North Shore Land Alliance salutes the “America the Beautiful” initiative - a national call to action to work collaboratively to conserve and restore the lands, waters, and wildlife that support and sustain the nation, and to pursue the first-ever national conservation goal – a goal of conserving 30 percent of U.S. lands and waters by 2030.

We stand ready to lead local efforts to do our part.
