

Support the North Shore Land Alliance

Help conserve and steward Long Island's natural and historic lands, waters and environmental resources.

✓ Become a Business Member

Your annual membership helps to support the protection of our community's most environmentally significant places. It helps to ensure clean water, vital habitat, educational opportunities and places for people to enjoy nature.

✓ Adopt-A-Preserve

Your support of our protected lands enables us to maintain trails, enhance wildlife habitat, manage invasive species and ensure recreational opportunities for our communities. Attractive signage featuring your company's name will be placed at the preserve of your choice further demonstrating your generous support of our local community.

✓ Support Critical Educational Programs

Through education, outreach and volunteerism, we connect people to nature and inspire a community conservation ethic. By sponsoring a lecture or a program like Walks in the Woods, you bring people together, help us reach new audiences and grow our collective knowledge of the world around us. Please call us to explore the opportunities at 516-922-1028.

✓ Sponsor a Special Event

As appreciation for your generous support, your company will receive recognition at our Annual Golf & Tennis Outing and Wine Auction & Dinner. Your business will be featured in promotional materials related to the event including signage, journals, Land Alliance publications and more. For event details, visit our website or call us at 516-922-1028.

Additional ways to support our conservation work

- Give a gift membership to a customer or employee
- Honor someone special by making a gift in their name
- Match employee gifts to double the impact
- Donate your time, goods or services

Thank you for your support
If you have any questions, please contact us at 516-922-1028.
